## NSDC SOLICITS FUT, MINNA SUPPORT IN AGRIC, ICT

The Niger State Development Company Limited (NSDC) has solicited for the support of FUT, Minna in the areas of Agriculture and Information & Communication Technology towards achieving the Niger State Government's vision 3; 2020.

This disclosure was made known by the

completed an Ultra-Modern ICT Centre situated at Chanchanga Local Government Area of the State for the training of manpower in ICT related matters and further solicited for the support of the institution in the area of agriculture and construction.

Responding, the Vice-Chancellor, Prof.

*POs in a group photograph with NSDC team after the courtesy visit.*

Executive Director of the Company who was represented by the Head of Investment Services, Mal. Ahmed Garba Kuta during a courtesy visit on the Vice-Chancellor at the VC's Conference Room, Senate Building, Main Campus, today October 25, 2013.

Mallam Kuta said the courtesy visit was part of the company's efforts towards strengthening the state's economy through key investment initiatives and strategic partnership for the economy development of the State.

According to him the company decided to collaborate with Federal University of Technology, Minna based on its track-record in research and academic excellence.

He noted that the company recently

Musbau Adewumi Akanji **FNSBMB**, commended the Niger State Governor, Dr. Mu'azu Babangida Aliyu for his investment in education which he noted would assist the State towards attaining its vision 3; 2020.

Prof. Akanji said FUT, Minna has intellectuals in all the areas noted and informed the team that a committee would be constituted to look into their partnership proposal with a view of making its operational while assuring the team of the institution's commitment towards assisting the company to achieve its mandate.

The Niger State Development Company Limited is a private limited liability company which commenced operation in 1981.
