2. All cases of Senior Staff due for Promotion and/or confirmation and other related cases of appointment should be carefully and dispassionately screened by the Schools/Units/Centres' Sub-Committee and submissions made in five (5) copies to the Registrar, not later than **Six (6) weeks effective from 11th April, 2023. Any submission made after the deadline, 23rd May, 2023 will not be entertained.**

4. The highlights of the guidelines are as follows:

(A) Confirmation of Appointment before Promotion:

For the avoidance of doubt, there should be a minimum period of three (3) years of satisfactory probation before confirmation. This period includes the One (1) year National Youth Service Corps (NYSC). All cases of confirmation must be accompanied with up-to-date Curriculum Vitae. All staff employed on Senior rank, that is, from CONTISS 6 and above, are expected to possess either NYSC discharge certificate or Exemption Certificate before being considered for confirmation.

- (ii) Academic staff with first degree should not be presented for confirmation of appointment, until after completion of Master's Programme.
- (iii) Staff applying for confirmation of appointment should include their academic qualification(s) in the body of their application and this should be captured in the Department's summary.
- (iv) If an employee is absent on Study Fellowship for part or all of the first three (3) years from the date of commencement of his/her appointment, he/she shall not be eligible for confirmation until he/she has successfully completed the Study Fellowship and spent a total of two (2) years in post at the University. However, staff in the rank of Assistant Lecturer and above who are **on part-time** Study Fellowship and are effectively carrying out their academic work in the Department would be considered for Confirmation of Appointment and Promotion if they have met the required years of service.

- (ii) A minimum of three (3) years satisfactory service must be spent after the last promotion or appointment of an officer, excluding periods spent on Leave of Absence. However, four (4) years is the minimum waiting period for non-teaching staff moving to CONTISS fourteen (14).
- (iii) A staff who was promoted during Study Fellowship must spend a minimum of One (1) year after Study Fellowship before he/she can be considered for another promotion provided he/she has met all the other conditions for promotion.
- (iv) Acquisition of Professional registration is compulsory for Academic Staff applying for promotion to the rank of Senior Lecturer and above and for Non-teaching staff moving to CONTISS 13 and above. **However, staff on Architect and Builder officers' cadres will be required to obtain Professional registration when applying for promotion to CONTISS 11 as provided by the University Scheme of Service**
- (v) Those that are not due for promotion either as a result of disciplinary measures or for some other reasons should be clearly indicated in the submissions.
- (vi) In addition to the requirement for five (5) copies of up-to-date Curriculum Vitae of the members of staff being put up for promotion, the third year's Annual Performance Evaluation Report Form should be completed by Non-Academic staff, duly assessed (see (*) below), and forwarded to the Registrar along with the write-up on promotion. ***(Note that the earlier circular directing staff to complete the APER form annually and to forward same still stands).** Promotion cases forwarded with lumped APER Forms will not be considered.

- (vii) A Committee comprising the Heads of Department/Unit/Centre and Senior Colleagues in the Department/Unit/Centre should assess the Annual Performance Evaluation Report Form of Non-Academic staff recommended for promotion comprehensively; it should **not** be the responsibility of the Head of Department/Unit/Centre **alone**.
